

Lawrence Township Greenway Committee 20th Annual Walk

Maidenhead Meadows Park

March 21, 2010 at 1:30 PM

Our 20th annual walk explores Maidenhead Meadows Park, the township's largest open space park. Our 1.6 mile route (out and back) begins on the 0.6 mile loop trail, an easy, clear path to follow through an old tree nursery. The walk then continues northward, past the meadows and the site of future playing fields. The park's entrance is directly opposite the Ecological Center. Watch for the deer crossing signs on Princeton Pike from either direction as you approach the entrance. Wear boots.
