

Lawrence Township Trails and Open Space Committee 23rd Annual Hike

Bossio-Salt Preserve, October 13, 2013 at 1:00 PM

Join us for our 23rd annual hike where we will introduce you to the Bossio-Salt Preserve, the latest addition to Lawrence Township open space. We will meet at the sign for the preserve at the entrance on Eldridge Ave (near the intersection with Rolfe Ave). Ample street parking is available. Walk is through the woods with possible muddy conditions, and you may have to hop a stream or two, so come appropriately dressed—and shoed. Rain date is October 20. We will post a notice at <http://lawrencegreenway.org> if the walk must be rescheduled, so check before heading out in questionable weather.
